Description

Chaparral 264 Sunesta

The 264 Sunesta invigorates all your senses. Your eyes see the innovation of an award winning design, your hands feel the quality and your ears hear the quiet sound of a well made boat. If boating is your passion, the 264 can match your heartbeat for heartbeat. A Yacht Certified passenger capacity means unlimited fun for everyone. Attention to detail shines through and our new Driftwood interior option says class with a capital "C". A must-have list of optional equipment includes a Power Slide transom seat and a grill in the cockpit wet bar. With engine options up to 400 horsepower, the 264 can tackle offshore conditions, yet remains carefree on lakes and rivers. Optional thru-hull exhaust allows you to turn the performance volume up or cruise in quiet luxury. Stain-resistant DuraLife Max upholstery, a self bailing cockpit and a molded drainage system are all designed to take your cares away.
